Recommendation

2. Direct staff to prepare, distribute and accept applications to fill the vacancy.
3. Set an application due date of Wednesday, September 4, 2013.
4. At the regular Board meeting of September 9, based on the number and character of applications, determine the date and manner of candidate interviews.
5. Conduct interviews as desired and consider appointment of Director for Ward 1 at a special Board meeting during the week of September 16, 2013.

ENVIRONMENTAL DETERMINATION

The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

Background

Harold Kelly submitted his resignation as District Director for Ward 1 on Thursday August 15th 2013 (see attached)

As discussed below, the vacancy triggers rather quick deadlines for notifying the Registrar of Voters and for filling the vacancy.

Pursuant to State law (Government Code Section 1780) the District must notify the Registrar of Voters within 15 days of the effective date of the vacancy, or the date the Board is notified of the vacancy, whichever is later. General Manager John Woodbury notified the Registrar on Tuesday, August 20, 2013.

The vacancy may either be filled by appointment, or by special election. If it is filled by election, the election date is required to be held on the next established election date that is more than 130 days

from the date of vacancy (November 4, 2014). Staff does not recommend this option because it would leave the Board of Directors with only four members for more than a year, which could create problems with obtaining quorums at Board meetings, as well as leave the residents of Ward 1 without direct representation.

If the position is not to be filled through election, the Board of Directors has 60 days from the date they were notified of the vacancy to fill the vacancy (Monday, October 14,, 2013). If the District Board does not make the appointment within that time frame, the Board of Supervisors has 90 days from the date the District was notified of the vacancy (Tuesday, November 12, 2013) to make the appointment. If neither the District Board nor the Board of Supervisors appoint to fill the vacancy, then the vacancy would be filled by election at the next scheduled general election.

Staff recommends the District Board seek to fill the vacancy by appointment within the 60 day time frame. This is important to both the conduct of regular District business as well as to assure representation for the residents of Ward 5.

The only legally required notification under the appointment process is to post a notice of the vacancy in at least three prominent locations within the District at least 15 days before the District Board makes the appointment. However, staff recommends the District take the additional steps and issuing a press release announcing the vacancy and appointment process the District will use, requesting applications from interested persons, and conducting interviews of all or a selected subset of any applicants.

The regular Board meeting of October 14, 2013 is exactly 60 days from the date the Board was notified of Harold Kelly's resignation. While the Board could defer the final decision to that date, it leaves no room for changes in the schedule should they be needed. The time frames recommended by staff in the recommendation section of this memo would therefore have applications due the Wednesday before the next regular Board meeting, so that the Board has a chance to review how many applicants there are and at the regular September meeting determine whether/how to interview candidates. One special meeting of the Board would then need to be scheduled for later in September for any interviews and appointment. This approach maximizes the amount of time that Directors will have to consider applications, check backgrounds and make the appointment.

The above schedule only provides 18 days for candidates to submit their applications, and at most two weeks from the date of publication of the vacancy and application process. This is rather tight. If the Board believes more time is needed to publish the vacancy and for potential candidates to apply, an alternative would be for the Board to assume that all candidates will be interviewed, make all applications due on Friday, September 20, 2013, and schedule a special board meeting for interviews and appointments the week starting September 30, 2013.

Applications Sought for Board of Directors Ward 1

Do you have the interest, experience and talent to serve as a Director for the Napa County Regional Park and Open Space District representing Ward 1. The District is seeking to fill the vacancy caused by the resignation of Harold Kelly, who had served on the Board of Directors representing Ward 1 since the formation of the District. Ward 1 is located in the southwest part of Napa County, including Carneros, part of Browns Valley, and most of southern and central City of Napa--see attached map).

Applications are due by **Wednesday September 4, 2013** by 4 pm. The appointment to fill the vacancy will be made by the four current Directors of the park district. The appointment will be effective through the end of former Director Kelly's term, which ends on January 12, 2015. The seat will be filled for a full four-year term by the voters of Ward 1 at the general election in November of 2014. Whoever is appointed to fill the current vacancy would be eligible to run for the subsequent four-year term. Directors receive no compensation.

The Board of Directors provides policy direction for the District, adopts the District budget, monitor District revenues and expenses, approves contracts and evaluates performance. Most importantly, Directors represent the people and interests of their respective Wards, and serve as the primary liaison between the District and the public.

The Napa County Regional Park and Open Space District was established by the voters of Napa County in November of 2006. The District is guided by a Master Plan adopted by the Board of Directors in 2009. The Master Plan identifies three main goals for the District:

- (a) Provide opportunities for outdoor recreation
- (b) Preserve, restore and protect open space lands, natural resources and special habitats
- (c) Provide historical, cultural and environmental educational programming

The District is currently funded through a combination of grants and program revenues, including about 6.4 percent of the Transient Occupancy Tax collected by Napa County, other competitive public and private grants, and program income. A major challenge facing the Board of Directors over the next several years is to develop new and stable funding to supplement these existing sources of revenue.

The District currently owns over 4,000 acres of open space. Projects include:

- Bothe-Napa Valley State Park and the Bale Grist Mill State Historic Park, in partnership with the Napa Valley State Parks Association
- Napa River and Bay Trail in and north of the American Canyon, in partnership with the City of American Canyon, and extending the trail north to the City of Napa
- Oat Hill Mine Trail
- Moore Creek Park
- Berryessa Vista Wilderness Park
- Camp Berryessa, a youth and group oriented outdoor education camp (scheduled to open in the fall of 2014)
- Berryessa Peak Trail

Application materials, the District Master Plan and other information about the Napa County Regional Park and Open Space District can be downloaded at www.NapaOutdoors.org.
