

Easy Hike Suggestions to Get Outside

If you're looking to get outside for a walk, hike or ride in any of the parks, there are options for all levels of experience and fitness. We've put together a list below to help steer you toward trails and parks across the county that fit your ability levels.

Note that Moore Creek Park and Skyline Park have been impacted on weekends.

Consider visiting Bothe-Napa Valley Park, the river walk areas, or other trails and help us keep crowds to a minimum. There are also many other options to get out and walk connected to our cities and the Napa Valley Vine Trail. Trail notes and locations [can be found here](#).

Please do not congregate at trailheads or in parking lots and be mindful of our [Safe Practices and Social Distancing guidelines](#).
