

2026 Spring Trails Challenge Sponsorship Packages

Every spring, the Napa County Regional Park and Open Space District hosts the Spring Trails Challenge to help everyone *Go Outside and Play* and enjoy the beautiful parks and trails our county has to offer.

Hikers, cyclists, outdoor enthusiasts and families from all over Napa County take part in this annual event and explore new trails and parks while getting exercise, enjoying the scenery, and raising funds to support our parks and trails. The Spring Trails Challenge benefits the ReLeaf Napa Fund, dedicated to *Growing Parks for People* and supporting the work of the Napa Open Space District.

We would love to have your partnership as a sponsor for the 2026 Spring Trails Challenge. Your organization's support will help raise funds for the Napa Open Space District's essential work maintaining and improving our system of parks so that everyone has the opportunity to Go Outside and Play!
