OPEN SPACE DISTRICT

## Yip Trip Trail (Formerly Madrone Trail)

The Yip Trip Trail is officially connected and open for use!

Formerly Madrone Trail, this trail has been a long time in the making and has been 100% volunteer-built by hand. Hundreds of volunteers have worked on this trail over the years, and it's now open for your use and enjoyment.

The trail is approximately 3 miles long and connects to the Moore Creek Trail near the first creek crossing and again near Washing Machine Trail near the swimming hole.
